**JATAI INTRODUCES NEW FEATHER 'FLEXION' STYLING RAZOR:
FIRST FOLDING RAZOR FOR 'STANDARD' AND 'TEXTURIZING' BLADES.**

Santa Fe Springs, CA - Jatai International announces the introduction of the new **Feather 'Flexion' Styling Razor**, the first Feather folding razor **designed for both 'Standard' and 'Texturizing' blades**. Developed by the Feather Safety Razor Co. in Osaka, Japan, the 'Flexion' with its distinctive Aqua-Marble handle incorporates the traditional folding-style razor and the Feather guarded styling razor blades.

'Flexion' offers superb balance and complete cutting control, with handle neck grips that prevent slipping while cutting. According to Jatai President Dean Wada, *"We've had many requests from stylists who wanted a Feather traditional straight razor that could use Feather's guarded Standard and Texturizing blades. 'Flexion' is Feather's truly beautiful answer"*.

For more information, contact your Feather distributor or call toll-free: 888-965-2824 or visit: www.jatai.net
